I live in a beautiful town. There are shops, schools, swimming pools, libraries, cafés, cinemas and parks in my hometown. There is a beautiful river in my town. We go swimming, and fishing, have family picnics, have fun, and play games near the river. There are two swimming pools and a stadium in my town. Families take their children to the three parks in the town. There is a large shopping centre in my town. It is really big. It has got five floors. My brother likes going to the third floor because there are many toys and books there. And I like going to the cafés on the fourth floor.
